

Operators needed to help with Scouting “Jamboree-on-the-air”.

Donate a couple of minutes of your time to help Scouts make Amateur Radio contacts and encourage them to get into the hobby. A Field day in October! Oct. 19-21.

2018 Jamboree-on-the-Air (JOTA)

What: Annual Scouting event that uses amateur radio to link Scouts around the world, across the country and in your own community.

When: Third full weekend of October (this year it's Oct. 19-21, 2018). There are no official hours, so you have the whole weekend to make JOTA contacts. The event officially starts Friday evening and runs through Sunday evening.
