

# **Amateur Radio Technician License Training and Testing**

## **Training sessions**

4 Saturdays  
9 AM to noon  
August 18th & 25th  
September 1st & 8th

## **Location**

Delaware County Emergency Services  
360 Middletown Road (Route 352)  
Media, PA 19063

## **Cost**

\$15.00 to take the test, you should have the Technicians training manual, available from ARRL, Amazon, etc.

Testing will be after the last training session, September 8th. Testing for the General and Extra class license will be available. Please register for the training or testing sessions to insure that there are sufficient seats and testing material available.
